Shadows of the Mind Film Festival Inc. Needs You!

In December of 2006 Shadows of the Mind Film Festival became an independently incorporated not for profit organization. This represents a major milestone for the festival. The corporation is in the process of forming it's first community board of directors.

If you believe that it is important to maintain and improve this festival in Sault Ste. Marie, and if you have an interest in being on the board then please let us know.

I am interested in being a board member

I am interested in being on a working committee of the festival
